**WELCOME AND
INTRODUCTION**

Talofa lava and welcome to Beautiful Samoa – home of the Samoa 2019 XVI Pacific Games.

We are excited to host the Pacific Region's largest quadrennial games here in our country, with more than 4000 Athletes and Team Officials from 24 countries competing in 27 sports.

Samoa is honoured to host you for the Games. We are proud of the work that has been accomplished to produce a world-class event for everyone in such a short period of time. Our motto from the beginning has been to "put our best foot forward" and we hope you will agree that we have done just that.

We put athletes and sport at the heart of our work and want to create a stage where you can excel. We are excited to provide an opportunity and platform for athletes to show their potential and create sporting memories at the Games here in Samoa. We admire your dedication to your sport and acknowledge and appreciate all your efforts in preparing your team to compete at the XVI Pacific Games from 7–20 July 2019. We are also eager to give you the best facilities, organisation and support that the people of Samoa can provide so your athletes can compete at their best.

As a nation, we know that to deliver a successful Games for our Pacific athletes, we will all need to be One in Spirit. Faafetai tele lava to each of the teams for the invaluable assistance provided to the Games Organising Committee. We could not have done this without your support.

We are delighted to present the Sport Technical Handbook for the Samoa 2019 XVI Pacific Games.

This publication contains details of the technical arrangements for your Sports and the various aspects of the Games that affect you. Please treat this as your source of reference during the Games.

Our dedicated Games staff and volunteers are here to assist you if you have any questions or issues. You can also seek further guidance from our Sport Information Centre located at the Games Village and Sport Information Desks at every venue.

We believe that the Pacific Games is not only about sports but also about building bonds between our Pacific nations. Therefore, we wish you a fantastic time at the Games. We hope you enjoy our warm Samoan hospitality as well as the camaraderie of the 24 nations from the Pacific that are participating in this year's Games.

One in Spirit!

Hon. Loau Solamalemalo Keneti Sio

**COMPETITION
MANAGEMENT**

3.0 Competitions and Competition System

The Archery Competition in the Samoa 2019 XVI Pacific Games consists of two main tournaments, the Samoa 2019 Pacific Games Archery Tournament, and the 2020 Olympic Qualification Continental Tournament (CQT).

The exact measures to be taken regarding the organisation of the Archery competition will depend on the final number of participants. Direct qualification rounds will be applied, following WAF regulations (byes).

3.1.1 Samoa 2019 XVI Pacific Games Archery Tournament

The XVI Pacific Games Archery Tournament is divided in four (4) competitions:

- Qualification Rounds
- Individual 144 Championship
- Individual Elimination Competition
- Team Elimination Competition

3.1.1.1 Qualification Rounds

For the Qualification Rounds, each archer will shoot 72 arrows, in ends of 6 arrows, at a distance of 50m on 80cm target face for compound, and 70m on 122cm for recurve. This competition is a non-medal event and will be used to rank each archer individually in four (4) divisions: the male and female compound divisions, and male and female recurve divisions.

The results of this competition will be used as follows:

- Rank each archer individually in their respective divisions in the Samoa 2019 Pacific Games Archery Tournament;
- Rank each recurve archer individually for the CQT; and
- Produce scores for the first half of the Individual 144 Championship.

3.1.1.2 Individual 144 Championship

The Individual 144 Championship is the first medal event of the Samoa 2019 XVI Pacific Games Archery Tournament. For this event, the results of the 72 arrows shot during the Qualification Rounds by each archer will be added to the results of an additional 72 arrows shot by each archer during the second half of this competition. In effect each archer will shoot a total of 144 arrows, in ends of 6 arrows, at a distance of 50m on 80cm (Six Scoring Zone) target face for compound, and a distance of 70m on 122cm target face for recurve.

The archers who score the highest, second highest and third highest will win gold, silver and bronze respectively in their male or female recurve divisions, or male or female compound divisions. Four (4) possible gold medals can be won in this competition.

3.1.1.3 Individual Matchplay Competition

Individual elimination

Individual recurve eliminations

The Individual **Recurve** Elimination Competition will be carried out using the set system.

During each set each archer will shoot three (3) arrows, timing shall be 120 seconds.

Each match will consist of a maximum of five (5) sets.

Both archers will be on the same target and shall shoot together.

The winner of each set will receive two (2) points, if the set is tied each archer will receive one (1) point.

The first archer to reach six (6) points will win the match. This can mean the match may be completed in as little as three (3) sets.

If there is no clear winner or scores are tied after five (5) sets, there will be a tie breaker, timing will be 40 seconds.

Each archer will shoot one (1) arrow, both archers will shoot together.

The winner of the tie breaker will be the archer with the highest score or if both archers shoot the same score the archer closest to the centre will win the tie.

SPECIAL NOTE – If both archers shoot a 10 score for the first tie breaker, the tie continues and a second end of one arrow per archer will be shot.

The winner of the tie breaker will be the archer with the highest score or closest to the centre.

Individual compound eliminations

The Individual Compound Elimination Competition will be carried out using accumulative scoring.

During each set each archer will shoot three (3) arrows, timing shall be 120 seconds.

Each match will consist of a maximum of five (5) sets.

Both archers will be on the same target and shall shoot together.

There will be two 80cm (6 Scoring Zone) target faces placed side by side on the target butts, one for each archer.

The winner of each match shall be the archer with the highest accumulative (total) score after five (5) ends.

If scores are tied after five (5) ends, there will be a tie breaker, timing will be 40 seconds.

Each archer will shoot one (1) arrow, both archers will shoot together.

The winner of the tie breaker will be the archer with the highest score or if both archers shoot the same score the archer closest to the centre will win the tie.

SPECIAL NOTE – If both archers shoot a X score for the first tie breaker arrows the tie continues and a second end of one arrow per archer is shot.

The winner of the tie breaker will be the archer with the highest score closest to the centre will win the tie.

Individual finals (semi finals and medal matches)

The individual finals will commence at the Semi Finals and Medal Matches.

Each individual Match will be conducted separately and shall be shot alternating on two targets positioned in the centre of the Field of Play.

Timing for Individual Finals shall be alternating and shall be 20 seconds for each arrow.

Individual recurve finals

The Individual Recurve Finals Competition will be carried out using the set system.

During each set, each archer shall shoot alternating and shall shot a total of three (3) arrows, timing shall be 20 seconds for each arrow.

SPECIAL NOTE: Shooting shall be alternating.

The winner of each set will receive two (2) points, if the set is tied each archer will receive one (1) point.

The first archer to reach six (6) points will win the match. This can mean the match may be completed in as little as three (3) sets.

A tie shall be resolved by using the same process as used for the Individual Recurve Eliminations.

Individual compound finals

The Individual Compound Finals Competition will be carried out using accumulative scoring.

During each set, each archer shall shoot alternating and shall shoot a total of three (3) arrows, timing shall be 20 seconds for each arrow.

SPECIAL NOTE: Shooting shall be alternating.

The winner of each match shall be the archer with the highest accumulative (total) score after five (5) ends.

A tie shall be resolved by using the same process as used for the Individual Compound Eliminations.

General

The order of shooting for Finals Matches shall be determined by the Highest Ranked archer from the Qualification Round.

For the Individual Matchplay competition recurve archers will shoot on a 122cm Target Face at 70m while Compound archers will shoot on an 80cm (6 Scoring Zone) target face.

During all stages of Matchplay competition, the winning archer will progress to the next competition level while the unsuccessful archer will drop out of the competition.

During the Semi Finals and Finals all matches will be conducted alternating.

The winning archers of the Semi Finals will progress to the gold competition while the unsuccessful archers will compete in the bronze competition.

The gold will be awarded to the winning archer of the gold competition, the silver is awarded to the second placed archer, and the bronze is awarded to the winner of the bronze competition.

As there are two genders (male and female) for each of the two bow divisions (recurve and compound), four (4) possible gold can be won in this competition.

3.1.1.4 Mixed Teams Elimination Competition

Mixed team matchplay eliminations

Recurve mixed team eliminations

The Recurve Mixed Team Elimination Competition will be conducted using the set system.

Each Team will consist of one (1) Male and one (1) Female.

3.4 Entries, Seeds and Draws

All athletes must comply with entry requirements as specified in the PGC Charter; Protocol 7.

3.5 Entry by Name (Protocol 7.10 – 7.15)

Entries by name containing the names of competitors and the events in which they wish to compete, shall be forwarded electronically, to reach the Organising Committee at least forty-five (45) days before the date of the opening of the Games. Thirty percent of the Pacific Games Authority's estimated per diem obligation shall be payable at this time. A further confirmation of entries by name shall be required from PGAs no later than 30 days before the opening of the Games, from which the official and final per diem obligation will be calculated. A further 30% of this official per diem obligation shall be payable at this time. PGAs shall pay the remaining per diem obligation no later than the Delegation Registration Meeting (DRM) upon arrival and no Games Accreditations shall be issued to PGAs until the full per diem obligation is discharged. (Protocol 7.11)

A pre-DRM in person, or through the use of technology, shall occur within five days after the further confirmation of entries 30 days before the Games. (Protocol 7.11)

Each PGA shall pay at the DRM such sum as the Executive Board may prescribe for each competitor and official entered, which shall be paid into a separate account in the name of the Council. (Protocol 7.12)

Entries shall be completed electronically, and shall be forwarded to the OC via the Sporting Pulse provided Games Management System website. A PGA may also, simultaneously,

submit a signed spreadsheet of athlete entries as an additional step to confirm its entries. The OC shall forward the entries to the Council and the relevant International Federations. (Protocol 7.13)

The OC shall send to PGAs copies of "Entry and Eligibility Conditions form" in English and French to be signed by each competitor and to be countersigned by the appropriate PGA and duly affiliated National Federation (NF). Completed forms for each athlete must be returned to the OC no later than the DRM. The Council shall approve the text to this form based upon the guidelines contained in Regulation 20. (Protocol 7.14)

As per Article 26 (5), late entries by name will not be accepted. (Protocol 7.15)

3.6 Final Entries (Protocol 7.16 – 7.21)

The names of competitors finally entered for each event shall be confirmed to the

Organising Committee at the Delegation Registration Meeting (DRM) at least 48 hours prior to the official opening of the Games (Protocol 7.16)

Only those competitors whose names appear on the individual entry forms shall be eligible for final confirmation of participation. (Protocol 7.17)

When a competitor is injured after being included in the Final Entries Forms, a substitute may be nominated on production of a medical certificate established by the Doctor designated by the Games Organising Committee provided this information is made before midnight preceding the opening event of the tournament in which the injured competitor would have taken part. The substitute's name must have been entered in the Individual Entries Forms of that sport. (Protocol 7.18)

Each Pacific Games Association shall be required to ensure that Article 8 is observed with regard to the selection and management of its team. (Protocol 7.19)

The Executive Board may require the OC to reject an entry, which does not comply with the requirements of the Charter, or for any other good or sufficient reason. (Protocol 7.20)

Penalties shall be imposed on the PGA for entries submitted that do not comply with the Council Charter. These penalties shall be payable to the PGC and shall include a minimum monetary fine of US\$1,000 or removal of the PGA's voting rights at the next Council annual meeting, or both. (Protocol 7.21)

3.7 Conditions of Entry

For Pacific Games and in respect of all activities of the Council and events under its control, there shall be no discrimination against any member country or persons on any grounds whatsoever, including race, gender, religion or politics.

The Executive Board may require the OC to reject an entry, which does not comply with the requirements of the Charter, or for any other good or sufficient reason. (Protocol 7.20)

3.8 Maximum Entries

All athletes wishing to compete in the Games must be able to comply with current

Pacific Games Council Charter Constitutional requirements for representing a country and participating in the Games. The closing date for entries is 23 May, 2019.

Maximum entries for Archery are as follows;

Individual events: 3 competitors per event. Maximum 6 men, 6 women.

3.9 Draws

The draw will be conducted in accordance with WAF regulations. Further details will be provided at the Technical Committee Meeting.

3.10 Competition Rules and Regulations

The Archery competition will be held according to WAF rules, unless the WAO exceptionally authorises otherwise.

The Archery competition will only allow two divisions consisting of two (2) types of equipment: the recurve and compound bows.

This section describes the type of equipment athletes are permitted to use when shooting in the Archery competitions. It is the athlete's responsibility to use equipment which complies with the rule. Any athlete found to be using equipment contravening World Archery Rules may have his scores disqualified. Described below are the specific regulations that apply to each division followed by the regulation that apply to all divisions.

3.10.1 Recurve Division Rules and Regulations

For the Recurve Division, the following items are permitted:

A bow of any type provided it complies with the common meaning of the word "bow" as used in target archery, that is, an instrument consisting of a handle/riser and grip (no shoot-through type riser) and two flexible limbs each ending in a tip with a string nock. The bow is braced for use only by a single string attached directly between the two string

nocks, and in operation is held in one hand by its handle (grip) while the fingers of the other hand draw and release the string.

Multi-coloured bow risers and trademarks located on the inside of the upper and lower limb or on the riser are permitted.

Risers including a brace are permitted provided the brace does not consistently touch the athlete's hand or wrist.

A bowstring of any number of strands, which may be of multi-coloured strands and serving and of the material chosen for the purpose. It may have a centre serving to accommodate the drawing fingers, one or two nocking points to which may be added serving(s) to fit the arrow nock as necessary, and to locate the nocking points. At each end of the bowstring there is a loop which is placed in the string nocks of the bow when braced. In addition, one attachment is permitted on the string to serve as a lip or nose mark. The serving on the string shall not end within the athlete's vision at full draw. The bow string shall not in any way assist aiming through the use of a peephole, marking, or any other means.

An arrow rest, which can be adjustable and have more than one vertical support is permitted.

Any moveable pressure button, pressure point or arrow plate may be used on the bow provided they are not electric or electronic and do not offer any additional aid in aiming. The pressure point may be placed no further back than 4cm (inside) from the pivot point of the grip.

One draw check indicator, audible, tactile or visual may be used provided it is not electric or electronic.

A bow sight for aiming is permitted. It shall not incorporate a prism, lens/lenses, or any other magnifying device, levelling, electric or electronic devices nor shall it provide for more than one sighting point. Long fiber optic pins must bend after 2cm with the opposite end of the fiber optic pin outside the athlete's line of vision.

The overall length of the sighting circle or point (hood, tunnel or tube, sighting pin or other corresponding extended component) will not exceed 2cm in the line of vision of the athlete.

A sight attached to the bow may have windage and elevation adjustment setting and is subject to the following provisions:

- A bow sight extension is permitted; and
- A manufacturer scale and or tape with one set of the athletes normal sight marks may be mounted on the sight as a guide for distance markings but shall not in any way offer any additional aid.

Athletes may carry their sight marks on the course, meaning, a single point of reference for each specific distance. Multiple marks for use as a possible ranging guide are not allowed.

Stabilisers and vibration dampeners on the bow are permitted.

They may not:

- Serve as a string guide;
- Touch anything but the bow; and
- Represent any danger or obstruction to other athletes.

Arrows of any type may be used provided they comply with the common meaning of the word "arrow" as used in target archery, and do not cause undue damage to target faces or butts.

An arrow consists of a shaft with a tip (point), nocks, fletching and, if desired, cresting. The maximum diameter of arrow shafts shall not exceed 9.3mm (arrow wraps shall not be considered as part of this limitation but may not extend further than 22cm toward the arrow point when measured from the nock groove where the bowstring sits to the end of the wrap). The tips/points of the arrow may not exceed 9.4mm in diameter. All arrows of every athlete shall be marked with the athlete's name or initials on the shaft. All arrows used in any end shall be identical in appearance and shall carry the same pattern and colour(s) of fletching, nocks and cresting, if any. Tracer nocks (electrically/electronically lighted nocks) are not allowed.

Finger protection in the form of finger tape, shooting glove (wrist strap allowed), finger tab or a combination of finger protection to draw and release the bowstring is permitted, provided they do not incorporate any device that assists the athlete to draw and release the bowstring.

Finger protection may incorporate an anchor plate for anchoring, thumb or finger rests for non-drawing fingers, finger straps around fingers to secure finger protection to the hand, finger separator between fingers to prevent pinching the arrow, tab plate/s for securing tab materials/layers together and plate extensions for consistent hand placement may be used. Finger protection may be made of any number of layers and material. No part of the finger protection may extend around the hand between thumb and fingers or beyond the wrist joint or restrict wrist movement. On the bow hand an ordinary glove, mitten or similar item may be worn but shall not be attached to the grip of the bow.

Binoculars, scopes and other visual aids may be used for spotting arrows, provided they are not used for ranging or represent any obstruction to other athletes.

Prescription glasses, shooting spectacles and sunglasses may be used. None of these may be fitted with micro hole lenses, or similar devices, nor may they be marked in any way to assist in aiming.

Should the athlete need to cover the non-sighting eye and or glasses lens, plastic, film or tape may be used to obscure vision or an eye patch may be used.

The following accessories are permitted. These include arm guard, chest protector, bow sling, finger sling, belt, hip or ground quiver. Devices to raise a foot/feet or part thereof,

attached or independent of the shoe, are permitted provided they do not present an obstruction to other athletes at the shooting line/peg or protrude more than 2cm past the footprint of the shoe. Also permitted are limb savers. Wind indicators (non- electric or non-electronic) may be attached to the equipment used at the shooting line (e.g. light ribbons).

3.10.2 Compound Division Rules and Regulations

For the Compound Division, the following equipment is permitted. All types of additional devices are permitted unless they are electric, electronic, compromise safety or create an unfair disturbance to other athletes.

A Compound Bow, which may be of a shoot-through type riser, is one where the draw is mechanically varied by a system of pulleys or cams. The bow is braced for use by cables or bowstring(s) attached directly to the cams, the string nocks of the bow limbs, cables or by other means as may be applicable to the design. No equipment may be electric or electronic.

The peak draw weight shall not exceed 60lbs.

Cable guards are permitted.

A riser brace or split cables are permitted, provided they do not consistently touch the athlete's hand, wrist or bow arm.

A bowstring of any type which may include multiple serving/s to accommodate nocking points and include other attachments such as a lip or nose mark, a peep-hole, a peep-hole 'hold-in-line' device, D loop bowstring, string silencers, bowstring weights, etc. are permitted.

The pressure point of the arrow rest which can be adjustable shall be placed no further back than 6cm (inside) from the throat of the handle (pivot point of the bow grip).

Draw check indicators, tactile, audible and/or visual may be used, provided they are not electric or electronic.

A bow sight attached to the bow which may allow for windage and elevation, and may also incorporate a levelling device, and/or magnifying lenses and/or prisms is permitted. Additionally, a manufacturers scale and or tape with one set of the athletes normal sight marks may be mounted on the sight as a guide for distance markings.

The sight points may be a fibre optic and if desired illuminated by a chemical glow stick. The glow stick shall be encased so as not to disturb other athletes.

A release aid may be used provided it is not attached in any way to the bow. Any type of finger protection may be used.

3.10.3 All Divisions Rules and Regulations

For athletes of all divisions the following equipment is not permitted:

- Any electronic or electrical device that can be attached to the athlete's equipment; and
- Any electronic communication device (including mobile phones), headsets or noise reduction devices at any time on the course.

Each athlete shall only stand and shoot from the shooting line without compromising safety.

The organisers will assign the target at which each archer shall shoot from.

Athletes within the shooting group waiting for their turn to shoot shall wait back behind the athletes in the shooting position.

No athlete may approach the target until all athletes of the group have finished shooting, unless given permission by the Director Of Shooting (DOS).

Under no circumstances may an arrow be re-shot.

An arrow shall not be considered to have been shot if:

- It has dropped from the bow and the athlete can touch it, or would have been able to touch the first landing point had it not been for the slope with his bow without moving his feet in front of the shooting line, and provided the arrow has not rebounded; and
- The target face falls over. The Judges shall take whatever measures they deem necessary, and permit time for shooting the relevant number of arrows. If the target or butt only slides down it shall be left to the Judges to decide what action to take, if any.

In the Team event, only a discussion between the athletes and/or their coach on the field is allowed.

The team members may join the athlete who is shooting and stand well behind him or her at the shooting line and the team can communicate within this group. The coach accompanying the team may also go forward to the shooting line with the team and coach but shall stay behind when the team goes to the target to score. Where there is an allocated "Coach Box/Area" then the coach shall remain in this area whilst shooting is taking place.

Should it be necessary to have more than one person per team to carry spare bows for the team, this (these) person(s) should stay outside of the designated shooting area.

3.11 Protests, Appeals and Arbitration Procedures

During the competition, if the athletes cannot agree on the value of an arrow, a Judge shall be called to decide on the value of the arrow. The decision of that Judge shall be final.

A mistake on a scorecard may be corrected before the arrows are drawn, provided that all the athletes on the target agree on the correction. The correction shall be witnessed and initialled by all the athletes on the target. Any other disputes concerning entries on a scorecard shall be referred to a Judge.

Questions concerning the conduct of the shooting or the conduct of an athlete shall be lodged with the Judges before the next stage of the competition.

Questions regarding any published results shall be lodged with the Judges without any undue delay, and in any event shall be lodged in time to allow corrections to be made before the prize giving.

In the event of an athlete is not being satisfied with a ruling given by the Judges, he may appeal to the Jury of Appeal. Trophies or prizes which may be affected by a dispute shall not be awarded until the Jury of Appeal's ruling has been given.
