3.11 Lawn Bowls Competition Procedures

Checking of Bowls

All bowls utilised in play must be registered with the Organising Committee and must carry a registered World Bowls stamp of either the current year (2019) or of a future year. It is the Team Manager's or Coaches responsibility to ensure that all bowls that will be used by players must be registered prior to the commencement of the Games.

Random checking will be conducted to make sure that registered bowls are being used during the Games.

Bowls discs will be issued to each Team Manager after the bowls are registered. If you require further supplies, please contact the Competition Manager.

Players must use the coloured bowls discs (stickers) as provided by the OC for each match, in accordance with Law 52.1.8.

Composition of Play

All events will be played on a "Round Robin" basis, i.e.: each team including the Singles players playing against every other team.

- Singles: Four bowls per player, 21 shots up, in excess of 21 shots shall not count
- Pairs: Three bowls per player, 18 ends (3x3)
- Triples: Two bowls per player, 18 ends
- Fours: Two bowls per player, 15 ends

A time limit of two hours and 15 minutes (not including trial ends) will apply to all sectional and post sectional matches for all disciplines.

Main Draw – Traditional Play (five players per team)

Each player can compete in a maximum of two disciplines. The Singles and Fours events for each gender will be conducted concurrently, as will the Pairs and Triples.

Team composition

Entered players must remain in the disciplines as confirmed at the Lawn Bowls Technical Meeting. After this time, changes will only be allowed relating to the team order within each team, between rounds. This must be submitted to Competition Management at least 15 minutes before the respective round.

Arrangement for practice

See Law 4 of the Laws of the Sport of Bowls.

Draw

At the completion of the round-robin competition the top four Teams progress through to the semi-finals (1 v 4 and 2 v 3)

Winning semi-finalists will play off for Gold and Silver medals. Losing semi-finalists will play off to determine the bronze medallist.

Section format

Any section with 7–8 teams. Bold indicates where a bye would be with 7 teams.

Round 1	Round 2	Round 3	Round 4	Round 5	Round 6	Round 7
1 v 5	1 v 3	1 v 7	1 v 6	1 v 4	1 v 8	1 v 2
2 v 6	2 v 4	2 v 8	2 v 7	2 v 3	2 v 5	3 v 4
3 v 7	5 v 7	3 v 5	3 v 8	5 v 8	3 v 6	5 v 6
4 v 8	6 v 8	4 v 6	4 v 5	6 v 7	4 v 7	7 v 8

Any section with 5–6 teams. Bold indicates where a bye would be with 5 teams.

Round 1	Round 2	Round 3	Round 4	Round 5
1 v 5	1 v 6	1 v 4	1 v 3	1 v 2
2 v 4	2 v 3	2 v 6	2 v 5	3 v 4
3 v 6	4 v 5	3 v 5	4 v 6	5 v 6

Format of play

From quarter-final games onwards if Pairs, Triples or Fours game scores are equal after the prescribed number of ends, an extra end will be played to determine the winner as specified in Law 28.

In the case of delay due to extreme weather, the time limit relates to the length of time allowed for match play on the green. Any time off the green will not be considered towards this time.

A horn will sound to indicate the commencement of play, and then again to indicate the end of the time limit.

Any player/team arriving after the official start time shall lose the right to play trial ends.

Any player/team arriving at the green more than 15 minutes after the official starting time shall forfeit the game and the points for that game or not progress through to the next round.

If a game is forfeited, the non-offending player or team will be awarded three match points and a net total of shots that is equal to the average net total of shots scored by the winners of all other games played in the same round of the same section.

If any team is disqualified completely from the competition during the sectional play phase, all of the completed match results for the disqualified team will be removed.

During sectional play, matches must be played to the completion of the required number of ends or the time limit. During knockout stages, once a winner is determined (that is, it is mathematically impossible for the opponent to win or draw the match), the match will finish regardless of the number of ends played.

Rink allocations

Rink allocations are subject to change at any time prior to the trial ends for a specific round, at the discretion of the controlling body.

Scoring

- 1) The player or team with the greatest number of games won is the winner of the section. All other players or teams will be ranked accordingly.
- 2) If games won are equal, then the player or team with the highest number of points will be ranked higher (three points will be awarded for a win, one point for a draw).
- 3) If games won and points are equal, then the player or team with the highest net total of shots ('shots for' minus 'shots against') will be ranked higher.
- 4) If games won, points, and net total of shots are all equal, then the player or team with the lowest number of 'shots against' will be ranked higher.
- 5) If there is still equality having applied the criteria described in points 1) to 4) above, then the player or team that won the game between the players or teams that are equal will be ranked higher.
- 6) If the game between the players or teams that are equal is drawn, then the first player or team in the drawn game to win an end will be ranked higher.

Procedure for applying time limits

A horn will be used by the designated timekeeper to signal the official start of play.

At the completion of the allocated time, the designated timekeeper will use a horn to signal the end of play. At this time players will complete the current end they are playing. The start of an end is determined by the delivery of the jack by the first player in that end.

Trial ends

One trial end in each direction will be allowed for all games in accordance with Law 5.1. In trial ends players can use any combination of bowls taken from different sets so long as all bowls are registered and carry a registered World Bowls stamp of either the current year or a future year. Trial ends will commence 15 minutes before the official start time of the round.

Alterations to the format and length of games

The Controlling Body reserves the right to alter the format, times of play and greens to suit local unforeseen circumstances, giving as much notice as practical.

Where a programme is interrupted or cannot be completed due to inclement weather or local conditions, the Controlling Body may amend the format and length of games to achieve a result.

Restricting movement of players during play

Prior to the start of each end, the following players will take their position at the mat-end of the green:

- Pairs game: the leads
- Triples game: the leads and the seconds
- Fours game: the leads and the seconds

After delivering their first bowl, players will only be allowed to walk up to the head under the following circumstances:

- Singles game
- the opponents: after delivery of their third and fourth bowls.
- Pairs game (each player playing three bowls)
- the leads: after delivery of their third bowl; and
- the skips: after delivery of their second and third bowls.
- Triples game (each player playing two bowls)
- the leads: after the second player in their team has delivered their second bowl;
- the seconds: after delivery of their second bowl; and
- the skips: after delivery of each of their bowls.
- Fours game (each player playing two bowls)
- the leads: after the second player in their team has delivered their second bowl;
- the seconds: after delivery of their second bowl;
- the thirds: after delivery of their second bowl; and
- the skips: after delivery of each of their bowls

In exceptional and limited circumstances, a skip can ask that a player walks up to the head, or a player to the marker in Singles, earlier than described above. If a player does not meet the terms of this law, Law 35 will apply.

Delaying (slow) play

Players are required to play without undue delay and in a manner, which does not prevent their opponents from being able to complete the requisite number of ends within the time limit prescribed by the Controlling Body. The following conditions will apply in cases where players fail to meet this requirement.

- 1) The umpire, on appeal by one of the skips or one of the team managers or coaches that their team is being prevented from playing all their bowls within the time prescribed for the game due to the actions of their opponents, or on appeal by the Controlling Body as a result of its own observation, will notify the offending team that they are being 'put on the stopwatch' on completion of any end in progress.
- 2) When notification has been given, the offending team will be required to deliver all their bowls in each of the remaining ends within a four-minute time period (15-end games) or a three-and-a-half-minute time period (18-end games). Timing will be undertaken by a technical official specifically allocated for that purpose.
- 3) In each end, timing will start as soon as the jack has been properly delivered and centred (if the offending team is the first to play in an end) or as soon as the non-offending team's first bowl has come to rest (if the non-offending team is the first to play in an end). Thereafter, timing will continue whenever the offending team is in possession of the rink, and will stop when the offending team's last bowl of the end has been delivered.
- 4) No timing will occur during any interventions by the umpire (for example, to check a short jack or a line bowl) or any interventions by a team manager or coach.
- 5) A skip can call for a maximum of two time-outs during the period in which timing is being carried out. When a time-out is called, the time allowed to complete an end will be extended from four minutes to five minutes (15-end games) or from three and a half minutes to four and a half minutes (18-end games).
- 6) The timing official will advise the offending team when the time remaining in any end reaches one minute.
- 7) At the end of the four/five-minute period (15-end games) or the three and a half/four-and-a-half-minute period (18-end games) the offending team will forfeit any bowls remaining to be delivered in that end. The non-offending team will, however, deliver their remaining bowls to complete the end.

Re-spotting the jack

- 1) If a jack in motion passes completely outside the boundaries of the rink of play, comes to rest in any hollow in the face of the bank, or rebounds to a distance of less than 20 metres from the mat line, the end should not be declared dead. Instead, the jack should be placed with the nearest point of the jack to the mat

line at a spot on the rink which is two metres from the front ditch and on the centre line, and play should continue.

- 2) If the spot mentioned in paragraph one is partly or completely covered by a bowl, the jack should be placed as close as possible to the covered spot, in line with that spot and the corresponding spot at the opposite end of the rink, without touching a bowl.
- 3) The spots mentioned in paragraph one should be marked using chalk or some other suitable method.

Leaving the rink of play

If a player wishes to leave the rink of play, Law 33.1 will apply. However, if on more than one occasion, then on each occasion after the first they can do so only with their opponent's and the umpire's permission. The umpire's permission will be granted in consultation with the player's team manager or coach when they are present.

Substitutes and replacements

The Manager/Coach of the team shall herself/himself substitute or replace or call upon an affiliated player from her/his national authority to substitute. Anyone proposed as a replacement or substitute must be a citizen of the country that looks to enter them as a replacement pursuant to article 25 of the PGC Charter.

A substitute will not be allowed in the Singles Competition. If a Competitor in a singles game is unable to complete any game already commenced, her/his opponent shall be awarded the point(s) for that game. The team/player receiving the point(s) for the forfeit shall also be awarded the net shots margin of all matches completed in that round of the competition.

A substitute or replacement in terms of the foregoing, may only be utilised if the Jury of Appeal is satisfied that the player to be substituted is genuinely unable to play.

Smoking regulations

Players will not be permitted to leave the field of play during their match to smoke.

Footwear and attire

As per the Laws of the Sport of Bowls and PGC protocols.

Minimum length of end

The international standard of minimum length of end (23 metres) shall apply.

Marking touchers

Spray chalk will be used to mark touchers in all Singles games and is the preferred method for marking touchers in all team games.
